They arrived on March 24, 1876 at 3:00 PM while the wind was blowing. Forty-five men, thirteen women, four boys and eleven younger children playing a part in the expansion of the American West. Three days later work began on the first of many dams to supply water for the task of building an agriculture community. The Genesis of their journey began in the spring of 1873 when Horton D. Haight led an expedition from Utah to explore the Little Colorado River in the hope of colonization in the region. Journal entries from the explorers paint a gloomy picture of what they found. From Haight himself: "We see nothing better ahead of us. . .the hills are red and bare, we have had heavy winds nearly every day, at times enveloping us in storms of sand. With the poor feed and bad water, our animals are failing, passing." Andrew Amundsen had a similar entry: "From the first we struck the Little Colorado, up 150 miles, it is the seam thing all the way, no fit place for a human to dwell upon . . . The most desert lukkin place that I ever saw, Amen." On the heels of these reports yet a second expedition was commissioned, led by James S. Brown, who set out in November 1875 with permission to choose whom he wanted to go with him and warned not to choose any "babies." With his mandate of discovering how the colonization could happen rather than sighting the many reasons why it couldn't, they set out. He recorded in his diary: "Where we still find the water increased and quality improved so with the extent of land and all things considered we could recommend the country for settlement; and notwithstanding our desire to see the country hire up still the whisperings of the Spirit said return, so we started back. By Providence they came and by Providence they stayed. Of the four attempted colonies in the area, Joseph City is the only one that survived and thrived. But the thing Joseph City settlers did has so caught the imagination as the seemingly hopeless struggle to control the Little Colorado River. It has been called the "Eighteen Years War" with the first dam built in 1876 to finally having achieved success with the dam of 1894, having nearly built a dam every other year in between. The building of the dam has become a metaphor for the residence here. It is not easy to live here, it never was. We have mantras like, if you stick to Joseph City when it's dry, it'll stick to you when it's wet!" Let me finish with a further reference to the Pioneer Dam, as it is a symbol of the spirit and culture of Joseph City. A quote from George S. Tanner, author of the book Colonization of the Little Colorado says, "Compared with dams of note it does not amount to much, unless one knows the history of the farmers who struggled to make it a reality, it would hardly be worth leaving the highway to see. But to the sons and daughters of the pioneers it is holy ground, dedicated to the Lord by some of his choicest men and women, and secured by toil and perseverance beyond the strictest call of duty. They are they who we come from; their mission is our mission. To create something of great value that will last and bless our posterity for generation to come. - Written by Cat Hansen

This year a group of students that worked hard to offer activities for the student body. With Sahzira Schoby as our president, Kregar Kinlicheenie as our vice president, Rocklynne Hansen as the secretary, and Tori Beatty acting as our social secretary, they were able to turn barely functional dance socials into fun events. These events invited our Junior High student body to participate in fun activities that offered a different type of socializing than most students are used to. A great big thank you to Mr. Jason Henddricks for taking time to come educate our student body on a positive way to mix and mingle.

We sold suckers and raised money to pay for the DJs and any other supplies needed for activities designed to serve the Junior High student body. Also a shout out to next year's Junior High student body - consider running for office and making changes that will improve the school experience for yourself and your fellow students. Thanks for your hard work and making our year successful!

Another great year has come and gone with lots of fun things happening. We kicked the year off with Homecoming, with the theme being,"Born In the U.S.A." which included the colors red, white, and blue. The dress-up days were: Favorite Old Person, Nerd vs. Jock, and our traditional Blue and Gold Day. This year we had a big bonfire after the football game and enjoyed the Palmer's waffles (which are always a hit). The dance was to be outside until we had a big rainstorm, then it was moved to the cafeteria! Special thanks to the Deets for moving and setting it all up inside! Fall brought Halloween and the student council did their famous Halloween carnival, which everyone seemed to enjoy as well. On the last day of school before Christmas break we served hot chocolate to everyone, it was yummy and warm. The year was full of pep assemblies with games and laughter. One of the highlights of this year was doing a service project for a classmate Charley Cox, who was in a bad car accident. The students had a fundraiser selling pancakes on the corner in Winslow, then giving all proceeds to the Cox family for doctor bills. It was a very cold morning, but very rewarding knowing we were helping our friend and classmate. Our last dance was Sadies, with the theme: Childhood TV Shows. It was a lot of fun seeing Ken and Barbie at the dance. We have had some challenges this year, but all and all it turned out to be a good year of learning and growing through high school. Good luck to the 2023 senior class

WE LOVE OUR WILDCATS!

Wow, this year flew by! Between creating the yearbook, keeping current with the paws in the hall and starting the "Wildcat's Roar" newsletter we were very productive and very busy all year long. These yearbook students were always positive and ready to get things rolling. I appreciated their eagerness to work hard and accomplish every task I ask of them. They like to have fun and spread school spirit by sending off the sports teams in style and decorating the sidewalks with happy messages for everyone that passed by our classroom! Jasmine, our only senior, was a great asset to our class and we will miss her! Remember, things end, but memories last forever! Thanks for making my year memorable - I will miss each one of you! We hope all of you enjoy the memories

The National Honor Society (NHS) elevates a student's commitment to the values of scholarship, service, leadership, and character. These four pillars have been associated with the membership in the organization since its inception in 1921. Joseph City's organization was created in 1972. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service. We are proud of these students and their willingness to strive for excellence.

The 2022 season began with the anticipation of a great year. In the opening game, the Wildcats scored 57 points and the defense gave up zero points against Mohave Accelerated. Our defense was much improved this year thanks to new defensive coordinator: Brad Fischer, in the games that we won we averaged giving up only 14 points per game. Our offense was able to score points this year averaging 31 points per game. 4 of our 5 losses were to three teams ranked in the top four of 1A: Hayden, Mogollon, and Williams. We made the playoffs for the first time since 2019 and had our first playoff win since 2018. We beat the six seed, Cicero Prep Academy 33-34 in the first round of the playoffs. The following week we lost to Mogollon, the eventual 1A State Champions. Overall, the team played well during the 2022 season.

The best moments of the 2022 season: The 57-0 win against Mohave Accelerated in the start of the year, the win over Ray High School in the third week of the season helped the team rebound from the loss against Hayden, winning 5 games throughout the 2022 campaign and qualifying for the playoffs. But the most memorable moment of the season was winning our first round of the playoffs against Cicero Prep Academy and advancing to the next playoff round. Overall the Joseph City Wildcats finished the year with a 6-5 record.

I am thankful to Brad Fischer, Caleb Layden, Eldon Larson, and Latrelle Kinlicheenie for their help as assistant coaches and making this a memorable year. Another special thanks to the 9 seniors who dedicated themselves to having a winning 2022 season: Owen, Damarcus, Hayden, Bannon, Jareon, Blake, Caden, Michael, and Joseph. Also, special recognition to the players making the All-Region North Team: Bannon, Caden, Owen, and Cole. Bannon was recognized as an All-Conference 1A second team wide receiver. The football team gives a special shout out thanks to Sam Johnstun for creating an awesome atmosphere on Friday nights. I am especially grateful and give thanks to the parents of the football players and managers for all the help given to our Wildcat football throughout the past three years. Lastly, the coaches want to thank the Joseph City administration: Mr. Fields, Mr. Miller, and Mr. Hutchens for all your support of the Joseph City football team.

Lastly, I want to leave a special message: Live in the moment, don't worry about what you don't have, and appreciate the players and the people who support you. Stay positive in the face of adversity, and make the season about the players' success no matter what happens. I have enjoyed the journey this season with these players.- Coach Shawn Layden

When we stop and think back on this 2022 Volleyball season, we can't help but smile and be proud! All of our athletes grew so much and all three teams had winning seasons....making us so excited for the future of JCHS Volleyball! Varsity had some major successes - beating our rivals, not just once, but TWICE! Being Regional Champs AND Super-Regional Champs and then making it all the way to the semi-final round. Not only did we have those wins on our record, we had so many personal and mental wins as individuals and as a team. You girls learned what it meant to trust and rely on one another, and how to overcome obstacles together. Thanks you for putting in the work. Thank you for being team players. Thanks you for representing JCHS and playing the Wildcat Way. We loved coaching each of you and are so grateful for the awesome year we had!Love, Coach Charlsye & Coach Jessi

The Senior year! The 2022 Cross Country season had a great adventure and so much fun thanks to our seniors; Abi Smith, Jasmine Nells, Bryce Bushman, Bannon Johnstun, Kelten Chairez, and Mace Koopman. This year we hosted our first home Cross Country meet. Bryce and Bannon greatly helped by measuring the course east of the high school. Bryce placed first, becoming our top runner. This year, Bannon also chose to play football, which led to early morning practices. Bryce, Peter, and Jaimen joined him most mornings. Bryce and Bannon both qualified for state, and Bryce was able to medal at state. Jasmine was our top girl's runner and an excellent leader to the rest of the team as well as Abi. All four girls supported each other, doing cheer as well this year, which led to our fun. The team included; Juniors Ava Hancock and Peter Miller, Sophomores; Cory McLaws and Lacy Deets, and Freshman; Jaimen Tsosie. We experienced new courses: the rainy Show Low meet at Fools Hollow Lake, where we danced in the rain; the crazy packed Desert Twilight meet in the valley, which led to dinner at midnight; and, of course, our meet where the boy's team placed 1st. If I could choose two people that made the season so fun, they would be Abi Smith and Mace Koopman. When they were gone, there was a big hole. Abi made van trips loads of fun with lots of laughs. Our foreign exchange student, Mace, came with a smile and a great attitude, even with Abi teasing him, which he was good at giving back. They led the team in dancing and having a good time, even in the rain (Shaky Shaky and country western dance). Seniors make up more than half of our team; they will be hard to replace. Our underclassmen will likely recruit more students for another great team and more memories!- Coach Gayla Smith

The high school boys basketball team had an awesome season. The team was made up of a lot of hard working athletes. The team was known for defense, "totziens," TO-TO-TO's, charges, and a lot of apple TURNOVERS. The boys had a positive year, going 7-3 in one of the toughest regions in the conference and making it to the state playoffs. This was due to countless hours spent practicing over the summer, positive attitudes, and each athlete learning to be 100% responsible for their effort and choices. I hope that the lessons we learned together will lead to more successful and fulfilling years ahead for each of us.

CELEBRATING STATE AT THE ELEMENTARY

The best word to describe the Lady Wildcat basketball season is FUN. We had a very enjoyable and successful season because each and every one of the ladies practiced hard and played harder. The Lady Cats learned to trust in each other and take accountability. We grew into a team that never quit, always fought to the very end, and sacrificed everything to become successful. We already miss our seniors and are grateful for their hard work and examples. Good luck to each of you. Thanks to our coaches, parents, families, and our fans for helping us succeed. The countdown is on till next basketball season!!

The Joseph City program completed another successful season. We were lucky to have a solid group of fourth-year seniors to help lead the program. All three had the best season of their careers. Owen and Joseph were both sectional champions, with Owen making the AIA State Championship Finals in the 175-pound weight class. We have several returning starters who will carry on the tradition of excellence in the Joseph City Wrestling program. It was a great season, with more to come. Best of luck to the seniors as they go on to achieve more greatness!

The 2023 baseball season started with great anticipation. With eight seniors returning, coaches and players were excited to start the season; however, our athletes were so successful in their winter sports that we went to our first game having only had three practices with our entire team. We lost the first game to Lincoln Prep, but after that loss, the Wildcats caught fire winning seven out of their next eight games. This particular stretch of the season included our Joseph City baseball tournament that the team won three games taking the championship for the second straight year.

As the team returns from spring break, we played Williams and had extra innings for that game. This ended with the Wildcats losing. Following that loss, Fredonia forfeited a doubleheader, and the Wildcats rebounded to beat the Mogollon Mustangs 4-0. As the season continued, the team traveled to Hayden, ranked number 2, and Baghdad ranked number 3 in the state 1A ranking at that time. Wildcats lost both games in a doubleheader with Hayden and Baghdad as well. Once again on the road, the team beat Fort Thomas. The Wildcats returned home for their next game against Superior and had a 7th inning loss after leading the game for five innings. After the Superior loss, the Cats recovered to win the next four games: a doubleheader with Ash Fork, a single game against Fort Thomas, and a Saturday game with Superior.

As this season report is submitted, the Wildcats have four games left in the season. The Cats are ranked in the top ten in 1A state baseball rankings and will make the playoffs for the eighth straight year. The Wildcats have been led all year by and excellent group of seniors: Owen Beatty, Damarcus Bufford, Kelten Chairez, Zane Johnson, Bannon Johnstun, Jareon Miller, Blake Palmer, Brody Penrod. As the season comes to an end, the Wildcats are excited for the prospect of a great post season.

Coach Shawn Layden in thankful to the players, student managers,(Benn Beatty, Jocelyn Moss, Kinday Flake), and coaches(Eldon Larson and Caleb Layden) for their dedication and support of Joseph City baseball. Coach Layden is also thankful for the support and efforts of the administration: Superintendent Mr. Bryan Fields, Principal Mr. Eric Miller, and Athletic Director Mr. Daniel Hutchens. Special thanks goes out to Shaelyn Buckley and Jennifer Westover who are the secretaries in the front office. Coach Layden is grateful for the custodial and transportation staff who keep the locker rooms, dugout, and field excellent facilities and make road trips enjoyable. Special thanks to Sam and Dana Johnstun who make the game day eventful and memorable.Finally, Coach Layden is extremely grateful to the Arizona Diamondback for the $10,000 awarded to the Joseph City School District to buy equipment. The money was shared by both the baseball and softball teams. The money was used by the baseball team to purchase a long needed pitching machine and other equipment. Good luck to the seniors 2023! - Coach Layden

The High School Softball Team has had a great season this year. At the time of this article being written the Varsity team has an overall record of 20-3. The Junior Varsity has a record of 6-1. Both teams have played some exciting games. The Varsity Team won the Joseph City Softball Invitational for the first time in school history! During the tournament the Lady Wildcats were undefeated. The team has hit a combined 40 home runs this year. In one game the ladies hit six home runs in one inning! The teams are both working hard and doing their best to keep up the Tradition of Excellence here at Joseph City High School. Depending on how the last few games of the season go with the Wildcats, the Lady Wildcats should finish in one of the top three seeds headed into the State Tournament which starts April 28th. We should have the first two games of the tournament here in Joseph City and then we are off to the semi-finals at Quail Run and then the finals at the ASU Stadium. It has been fun to watch the girls work hardtogether and improve every day. It is great being able to work with them and we will continue to do our best and have a great season. Thank you to all of the parents and fans that travel far and wide to watch the girls play.

We are about to put another school year, and another track season to bed. I was privileged to be allowed to return as the head coach after 2 years, to work with one of the greatest groups of human beings at our school. As of this writing, we have five athletes that are currently placed or close to qualification to compete at the State Finals in May. Seniors, Bridger Fields, Mace Koopman, Abigayle Smith, and Bannon Johnstun are poised to represent our school in at least one event at the state level. Bryce Bushman is just seconds away from qualification and has been working very hard to shave off the necessary seconds in the 800m. Kaci Palmer, a Freshman, is in the top four going into finals for high jump, and in a position to compete in the 300m hurdles. We have fought weather, sickness, set-backs, and changed plans, but this group of athletes are fighters. Look for some great accomplishments moving forward. Good luck Seniors on your future adventures! - Coach Rush and Coach Smith

The 2022 season of Wildcats Junior High Football was marked by resolve in the face of adversity. During our season opener, away at Williams, the team fell into an early hole but showed great heart in mounting a comeback effort in the second half. The same was true of their road game to Mogollon where the team let a few costly turnovers lead to early points for the opposing Mustangs. Again however, the team rallied – putting forth a valiant effort in the second half. In the final game of the season, a rematch against Mogollon, the Wildcats played with great heart and delivered their finest performance of the year. As a result, the 'Cats held Mogollon to their lowest scoring total of the season. Following the game, the Mustang's coach approached us to commend our team and thank us personally for what they described as their hardest fought win

A good time was had in Jr. High Softball this year. It was a very wet season, and we spent almost as much time in the gym as we did on the field. The girls didn't let the weather dampen their spirits at all. Our 8th graders; Tori Beatty, Emma Faulkner, Synali Rael, Jackie Richards, Sahzira Schoby, and Tiana Yazzie stepped up and did a great job leading the team. The 8th grade team finished the season with 6 wins, 7 losses, and 1 tie. 7th grade finished with 2 wins and 6 losses. They were fun to watch as they progressed each week. We had a great year with the Junior High Basketball team. It definitely was a learning year. The growth we had as a team and as individuals was noticeable. I am proud of these athletes and the progress they made. We had a great group that went from struggling to score and understanding the game to where at the end of the season we were competitive with any team we played. I am excited to watch the 8th graders play and exceed at the next level. I look forward to the success we will have next year. I hope we have all the boys come back and build on the successes they had this year.

This Junior High Girls' basketball season came with some challenges this season. In order to make a complete 8th grade team some of the 7th and 6th grade girls stepped up and played with the 8th grade girls, which was awesome! The 8th grade girls were great role models and leaders for the younger players. They all worked very hard this season and I feel that they were able to improve on their basketball skills and come together as a team. Thank you to all of the Junior High Lady Wildcats! 7th Grade volleyball was a lot of fun this year! We had 10 girls on our team that all worked hard together and showed great teamwork & sportsmanship. They won about half of their games and had a lot of fun doing it. The girls really improved in their skills & court abilities. It was a great season and I expect great things from them next year!
- Coach Beatty

The 8th Grade volleyball team had a great season. We ended the season ranked 5th. This team had many talents and they were great at setting the ball up. They were terrific servers and were not afraid to get on the floor to make a save. Their hustle and great heart were hard to beat. They worked hard and had a winning attitude. Their favorite drill was pendulum, because it was a competition and they love to compete! They loved when Coach Miller came from the high school and taught them more skills for next year. I will miss them, but wish them much success in high school!

This semester I had the absolute privilege of directing the fall musical Mary Poppins. It was a challenge to fill the shoes of the amazing directors of the past, but the students stepped up and did an spectacular job. Mr. Anthony Whetten and I chose Mary Poppins as our production because we wanted to continue the momentum and bright reputation of the Joseph City Arts program. This play included complicated harmonies, choreography, and set. This was one of the longer shows the high school has attempted. With extra choir rehearsals, repetitive jazz square practice, and the incomparable set building skills of Gayla Smith, Tyler Rice, Brian Snyder, Bryce Bushman, Cambria Miller, and Landon Miller we pulled it off. I have interacted with many casts in my years of theatre and never directed a group of students that worked as hard and cared as much as this cast. Every student wanted the production to be a success and learned the required balance of formal and fun. Anything can happen if you let it! - Mr. Jason Whetten

FREAKY
FRIDAY

Hello and welcome to Freaky Friday! This is the first community theatre production we have directed here in Joseph City and have loved every moment. The amount of dedication and talent in our small community is amazing. This has truly become a community production as each member of the cast and crew have spent extra time and effort to put together this production. This musical would not be possible without the volunteers who have (in some cases quite literally) constructed it. We chose Freaky Friday as our production this year for its fast moving story and exctiing song and dance routines. We knew from the beginning that there were only two stars who could represent the joy of the show to the audience and are thrilled to have Barb and Brinlee Snyder as our leading ladies. We hope you feel the same excitement and fun that we have felt in preparing this show. Enjoy, and please be careful around the hourglass.

Zaney Boy,

You are a ray of sunshine! Thank you for lighting up our lives with your big smile, your "Zaney" personality, your hip shakin' dance moves, your bear hugs, and especially that big heart of yours! It has been inspiring to see the amazing drive that you have to be your best and always striving to improve, whether in sports, mechanics, "horsing" around, work, and all that you have pursued in your life. We have loved sharing your adventures with you and can't wait to see the adventures that await, and the lives you change for better. You are the heart to your siblings, the caboose to our crazy train, and a blessing beyond words! We love you so much!!

To our amazing niece,
We are so proud of you! Keep pushing forward!
Endeavor to become all that God has purposed in you!
With love, Uncle Bran, Kourtne, & girls

Congratulations Cy,
You did it! I am so proud of you. So many years of sleeping, struggling, running late, forgetting, your ups and downs through tough times you made it! All your accomplishments are just the beginning to a greater achievement. You are going to face many challenges, but I believe in you. You are going to unlock many doors in life after high school.
I love you so much!
I have never been so happy for you!
Forever in your heart,
Mom

You have accomplished so much in your past almost 19 years. You have excelled in academics, sports, horse training and more, but more important than this is the way you treat your family, friends and others. The kindness you show everyone around you allows the Light of Christ to shine through you! We love you and feel so blessed to call you our son! We can't wait to see how you continue to succeed in life in all you do!

We love you! Dad & Mom
